Getting Started with Dooey

Dooey is your go-to for any question about your store. Ask before you go hunting.

THREE WAYS TO ASK

1

At the counter

Any question, mid-transaction

Top right-hand Dooey icon

2

In plain English

No menus, no special terms

Type it how you'd say it

3

On the go

Out on the floor or a delivery

Rundoo app, type or speak

Ask Dooey in 3 steps

1. Click the **Dooey** icon, top right-hand corner
2. Type your question in plain English
3. Read the answer, then follow up to keep going

What Dooey knows

Your live store numbers

Real-time, not last night's report. It links the **full report** when there's more to see.

Good habit: for any number you're about to act on, open the full report and glance through it yourself. Dooey gets you the fast first draft; you make the call.
