

GETTING STARTED WITH RUND00 · DOOEY

Ask Dooey First

Dooey is your go-to for any question about your store. Ask before you go hunting.

THREE WAYS TO ASK

1

At the counter

Any question, mid-transaction

[Top right-hand Dooey icon](#)

2

In plain English

No menus, no special terms

[Type it how you'd say it](#)

3

On the go

Out on the floor or a delivery

[Rundoo app, type or speak](#)

Ask Dooey in 3 steps

- ① Click the **Dooey** icon, top right-hand corner
- ② Type your question in plain English
- ③ Read the answer, then follow up to keep going

What Dooey knows

Your live store numbers

Real-time, not last night's report. It links the [full report](#) when there's more to see.

Good habit: for any number you're about to act on, open the full report and glance through it yourself. Dooey gets you the fast first draft; you make the call.
